This year there were many good moments for our Hanford Swing Choir and Advanced Mixed Choir to remember. To start off the two groups sang in the Fall Music Concert. Then, to show their Christmas spirit, they gave the grade school kids a concert and caroled through the halls. They also performed in the annual All City Christmas Concert. In January our Swing Choir got their just reward by earning 1st place in the AA division at the University of Idaho Jazz Festival in Moscow. In March the Advanced Choir walked off the Large Group Competition in Sunnyside with a superior rating. In May, our Swing Choir participated in the Mt. Hood Community College Jazz Festival in Gresham, Oregon, finding their year filled with rewarding and educational experiences.

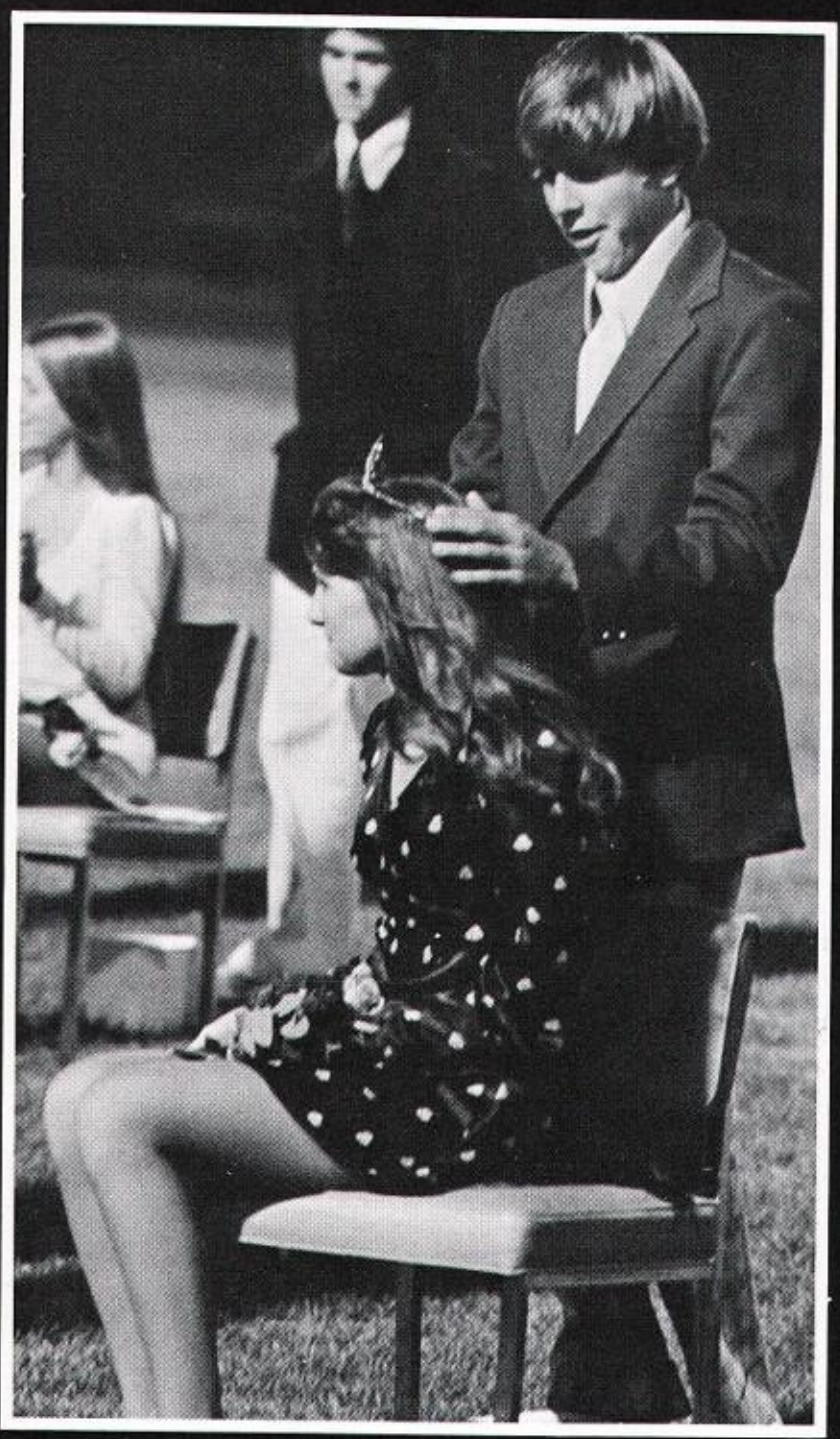
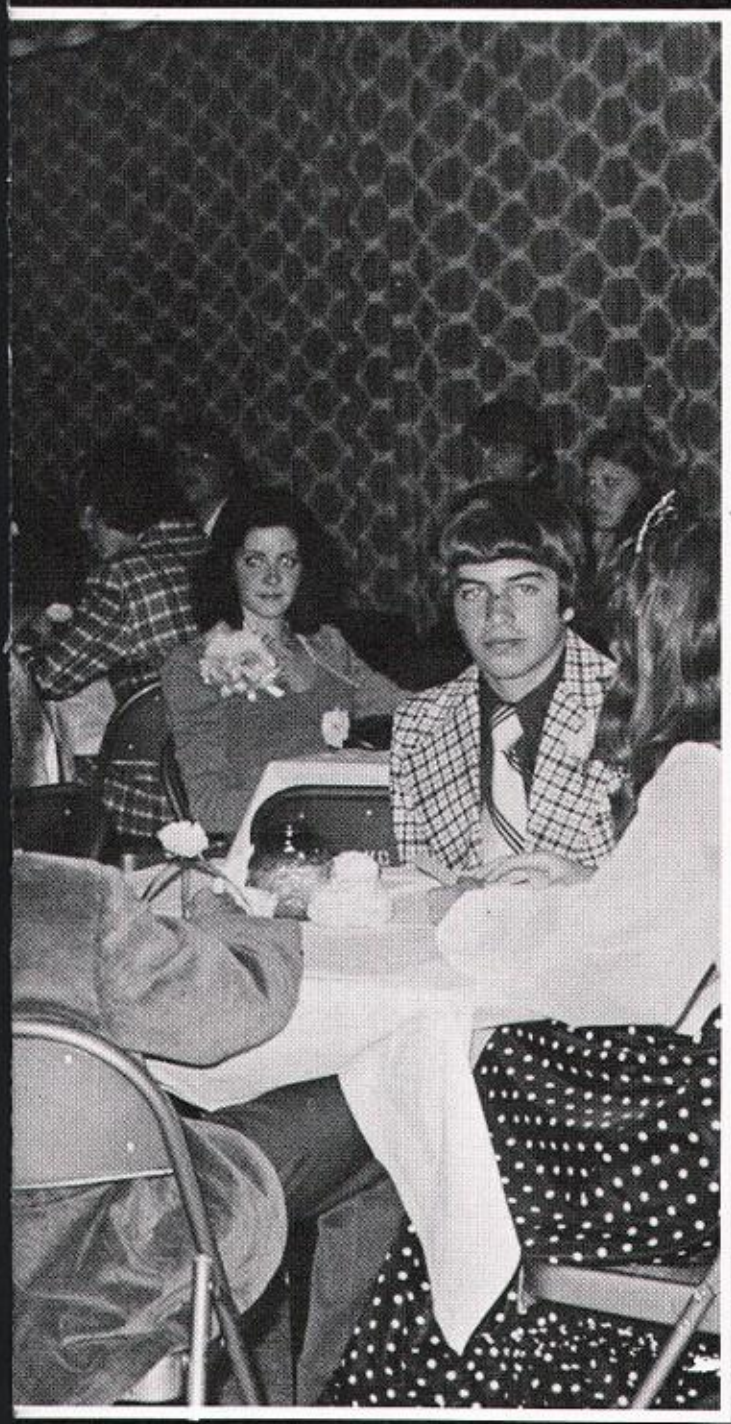
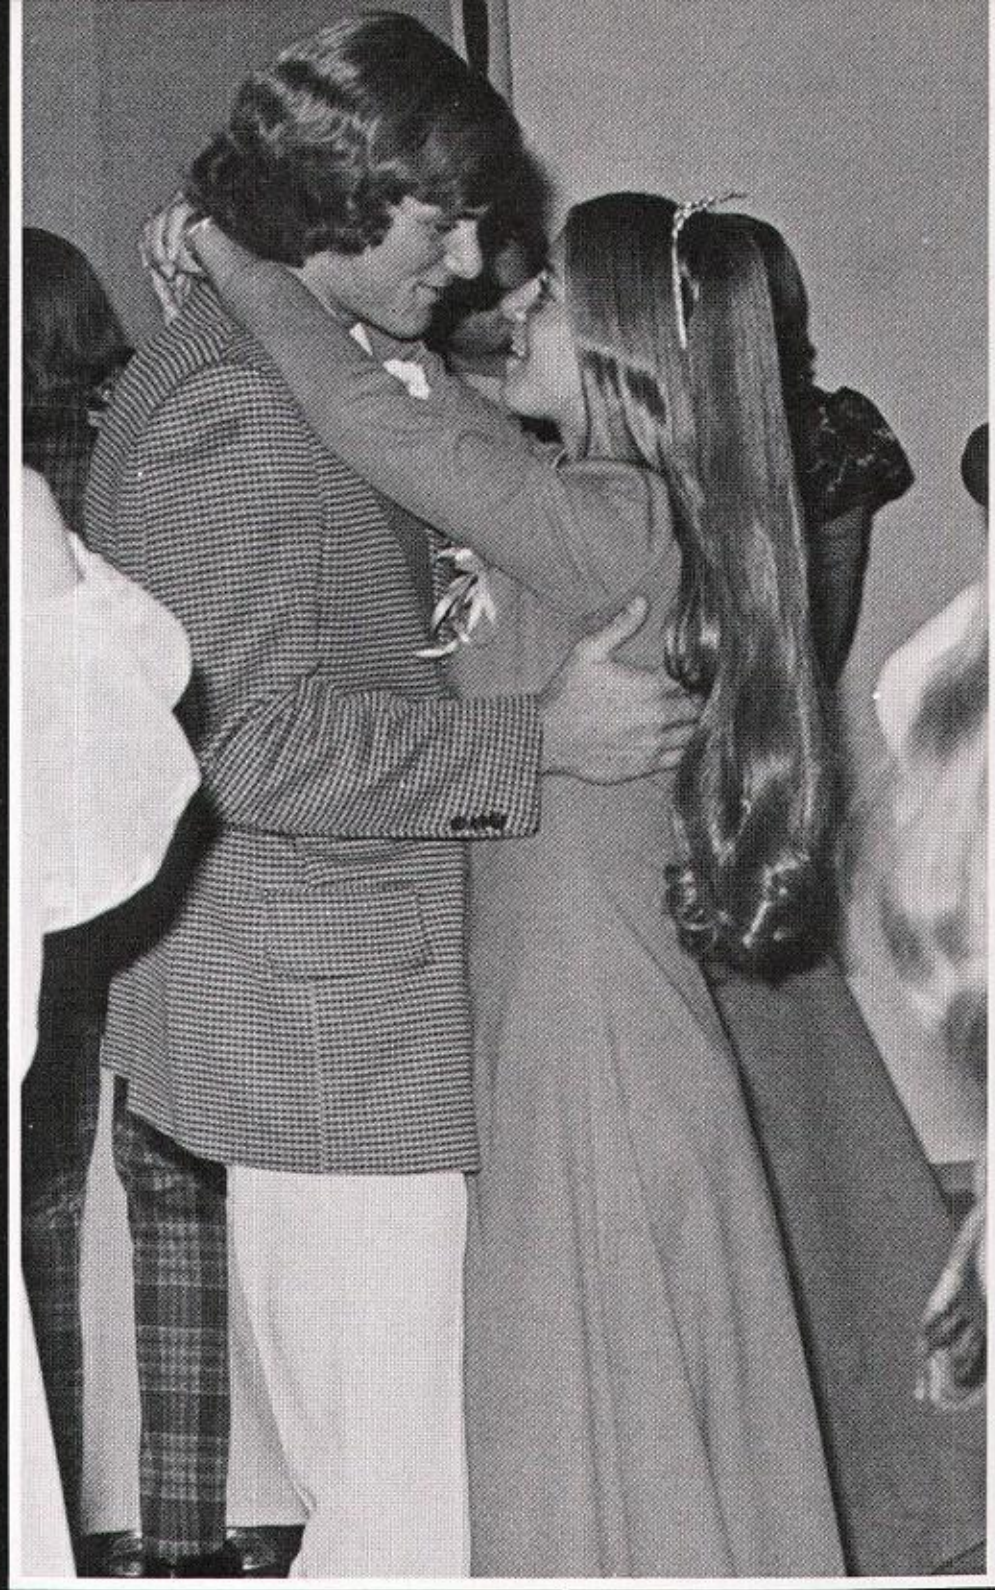
HOMECOMING 1974

Tradition began October 5, with Hanford's first annual Homecoming honoring the graduates of '74. The Variety Show kicked off the festivities on Tuesday night with an excellent display of Hanford's talent. Wednesday night included recreation in the gymnasium with such games as volleyball, basketball, ping pong, and various other activities. Scheduled for Thursday night was the Spaghetti Feed which was a well attended success. A strong-willed Falcon football team added to the successful activities week as they pulled through with a 6-0 victory over the Wapato Wolves. At half-time of this game, royalty were crowned with four princesses and Queen Bev Gustafson chosen to reign over the formal dance the following night.

Knights of Columbus Hall came alive Saturday night as Hanford celebrated the "first ever" Homecoming dance of 1974. Pink and burgundy decorations were dominant at the dance along with the theme "Beginnings."







When I'm with you,
it doesn't matter where we are,
or what we're doing,
I'm with you that's all that matters.
Time passes much too quickly
when we're together laughing,
I wish I could sing it to you.

When I kiss you,
I feel a thousand different feelings;
the color of chills all over my body.
And when I feel them
I quickly try to decide which one
I should try to put into words

Only the beginning
of what I want to feel forever.
Only the beginning.
Only just the start.

★CROSS COUNTRY★

Coach Shen, with the help of returning hoofers Steve Skinner, Greg Kiser, Gary Galbraith and Mike McGough really molded a fantastic C-C team this year. Losing only one out of eleven meets (a narrow loss to Wapato) the Falcon Roadrunners stepped into district, stomping on all but one team in their path. They were on to state after pulling in an easy second place at district behind Wapato. Though Wapato took first at district and fourth at state, it was Hanford's Steve Skinner who became District Champ and led the team to a commendable sixth place at the state meet.

This year's basketball team proved to be the best in Hanford's three years of existence. The Falcons displayed teamwork and determination, after a pre-season rating of eighth place, by quickly becoming the team to beat. For a team to be good they must win the close games, and our players did that consistently with their exciting brand of basketball. Overtime wins over Wapato and Ellensburg were highlights of the season. That victory over the Bulldogs was sparked by John Kelleher's 32 point performance which won him recognition as the Tri-Cities' Athlete of the Week. However, it was the avenging victory over Sunnyside that climaxed Hanford's capture of second place in the Mid-Valley Conference.

"The J.V. Basketball Team was made up of 7 Juniors and 6 Sophomores. The players came from other programs last year. They worked very hard to excel in what they were doing both individually and collectively. I feel that every player improved during the season. We had some tough games during the year; they continually kept coming back each game. I hope that they developed in sportsmanship, both in winning and in defeat. They were a good team to work with and I'm sure they will do well next year if their desire to improve continues."

Baseball

To finish on top of the tough Mid-Valley Baseball league you need team play, determination, and spirit. This year, the Falcons put these together and came out on top of the league with a 15-1 record; 23-5 overall. With five sophomores and six juniors on this year's varsity team, Coach Meinke looks forward to another first place finish next year. Members of the varsity team FROM LEFT TO RIGHT: TOP ROW; Coach Meinke, Ron Everham, Mike Miles, Mike Wade, Kerry Anderson, Randy Roadifer, Kerry Zinsli, Tony Slinn, Jerry Forsythe, Coach Jones. BOTTOM ROW: Ken Mudge, Gary Heid, Rob Cuello, Denny DeVine, Jeff Roberts, Guy Meinke, Paul Wood, Rob Marshall, Brad Carrothers.

The J.V. Baseball team also put together a fine season. However, due to uncontrollable circumstances, there were no pictures of the J.V. Falcons taken.

Making friends for all the world to see

let the people know you got what you need

With a friend ahead you will see the light

If your friends are there then

everything is all right.

It seems to me a crime that we should age

These fragile time should never slip us by

A time you never count a shout or raise

As friends together watch their childhoods fly.
